CHAT BOARD® MAGAZINE RACK

The CHAT BOARD® Magazine rack is a wall-mounted storage unit for magazines, newspapers, correspondence and documents, designed by Peter Henriksen. It has a writable, partly magnetic glass front and a specially designed steel frame, which makes it easy to mount several units together. It is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners.

CHAT BOARD® Magazine Rack is available in 1 size and 25 standard colours. In addition, it can be made to order in bespoke standard RAL and NCS glass colours. Please contact our head office with any special requests: info@chat-board.dk
