CHAT BOARD® CLASSIC

CHAT BOARD® Classic inspires and facilitates creative dialogue between people and minds. Specially designed to help generate, visualise, organise and exchange ideas and information, it provides the perfect finishing touch in any office-, meeting- or breakout space. The design is sleekly elegant and deceptively simple; each element has a clear function and nothing is superfluous. And the smooth, magnetic glass surface offers the most satisfying writing- and drawing experience you'll ever have. Unrivalled in quality and durability, CHAT BOARD® comes with the added bonus of being easy to clean, helping to give it its long lifespan and making it the definitive replacement for any whiteboard.

CHAT BOARD® Classic is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It can be mounted both horizontally and vertically on the wall, easily changeable from one orientation to another, and is available in 14 standard sizes and 25 standard colours. In addition, it can be made to order in bespoke sizes, shapes and standard RAL and NCS glass colours.
