CHAT BOARD® PROJECTION

CHAT BOARD® Projection has all the advantage and visual appeal of our Classic boards, but with the added bonus of being equipped with a built-in projectable screen, perfect for meetings, presentations etc. When not in use, the screen is completely concealed, but it is easily pulled down whenever circumstances require, making this the ultimate 2-in-1 solution for any meeting space.

CHAT BOARD® Projection is made with 4 mm tempered safety glass, in accordance with the highest quality standards, finished with smooth C-edges and 4 mm radius corners. It is available in 3 standard sizes and 25 standard colours. In addition, it can be made to order in bespoke sizes and standard RAL and NCS glass colours.

Please contact our head office with any special requests: info@chat-board.dk

NB Unlike Classic and Matt, Projection boards can only be mounted horizontally.

SIZES (cm)		w x h x d	w x h	WEIGHT
